Dear Sukh,

As MLA for Thompson I would like to extend my best wishes to you.

Over the years you have become synonymous with the Multicultural Centre. Thanks to your dedication the Centre has become well respected throughout Manitoba and Canada. Over the years you have helped raise the awareness of that unique Canadian vision of multiculturalism in Thompson and the North.

You have been a leader in terms of human rights and human rights awareness in our community. You have helped countless new Canadians who have moved to our community over the years.

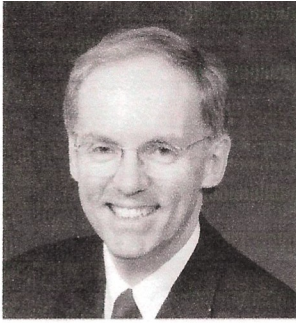

I am proud to have worked with you over these years.

I am proud to know you as a friend.

I am sure I speak for everyone in Thompson in thanking you for all you have done for us.

In future years as the history of Thompson continues to be written I have no doubt that you will be recognized as one of the key people in the development of our community.

Thank you again for all you have done for Thompson.
